

Les solvants organiques, comment passer des connaissances à la pratique : usages et méthodes

Session de formation permanente organisée par le département des restaurateurs en collaboration avec l'Atelier régional de restauration

Château de Kerguehenec, Bignan

21 et 22 avril 2016

Orientation bibliographique réalisée par la Bibliothèque de l'Inp

Tous les documents ci-dessous peuvent être consultés à la Bibliothèque de l'INP, à l'exception de ceux précédés d'un astérisque.
