SULKY

# SULKY

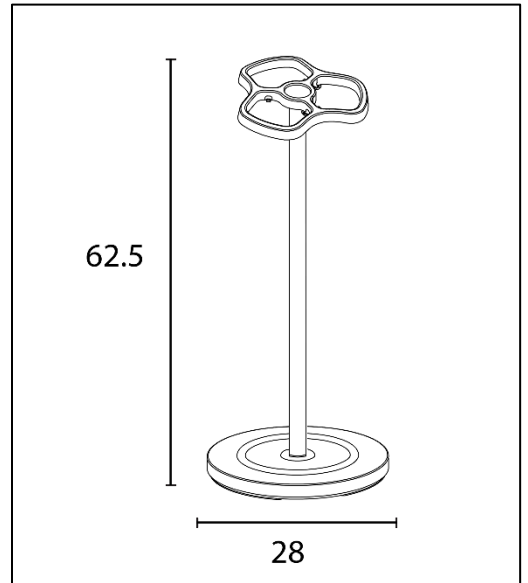

- **Functional:** On rainy days, everyone carries an umbrella, a useful accessory but one that quickly becomes cumbersome once inside a building. SULKY allows you to get rid of your umbrellas.
- **Sturdy:** SULKY is made of mild steel with a weather-resistant epoxy paint finish. Its 28 cm diameter base is weighted to ensure stability.
- **Product benefits:** SULKY is fitted with a high-capacity drip tray to ensure your umbrellas dry without puddles on the floor.

Base: 3 Kg / diameter 28 cm

Height: 62,5 cm

Materials: Epoxy-painted steel base/ Polypropylene plastic barrel
