# ENVIRONMENT

---

UNILUX focuses on sustainable development and takes concrete measures to reduce its environmental footprint and best meet the evolving expectations of its consumers.

We are notably committed to reduce our greenhouse gas emissions by 29% between 2021 and 2030 in response to the "Net Zero Carbon Emissions by 2050" challenge. Eco-design, emissions reduction, and continuous improvement are at the core of our concerns.

TOTEM is a prime example: its size and weight have been reduced by 25% compared to our best-seller ACCUEIL. This has enabled us to make its packaging more compact and optimize logistic costs. Furthermore, all plastic packaging has been replaced with tissue paper.

# OUR EXPERTISE

---

Coat stand offer significant benefits in terms of organization, practicality, and aesthetics, contributing to making your daily life more comfortable and orderly.

When designing our coat racks, we emphasize various criteria :

- **Convenience** : we take care to manufacture products that are easy to assemble and maintain for long-term use.
- **Stability** : our coat stands feature a heavy steel base ensuring perfect stability, particularly important in high-traffic areas.
- **Design** : offering a variety of styles, UNILUX coat stands transform into authentic interior decor elements.
